

## Research Today @ OctoberVET

Join the authors featured in the May 2021 edition of the **Research Today** magazine to hear more about their research. The panel of contributors includes:

- **Joe Pagnocolo**: The role of interpersonal attributes in the apprentice experience.
- **Erica Smith**: Difficult teaching situations: Can learning theories help?
- **Thomas Deissinger & Oksana Melnyk**: Partnership and cooperation in vocational teacher education as a focus of Erasmus + capacity building in the EU.
- **Simon Bruce**: Consequential Learning.
- **Linno Rhodes**: Reading Between the Lines – coping strategies, curiosity and connection.
- **Lindee Conway & Karen Dymke**: From *Done or Done for*, to *Doing with* – from 'PD' to Professional Learning.

### Details:

- 1pm–3.30pm Tuesday 19 October
- Completely virtual
- Completely free
